

12TH ANNUAL CONFERENCE OF THE METABOLOMICS SOCIETY

DUBLIN, IRELAND | JUNE 27-30, 2016

EXHIBITION AND SPONSORSHIP BROCHURE

Dear Colleagues,

We are delighted to announce that the 12th International Conference of the Metabolomics Society will be held in Dublin, Ireland June 27-30, 2016 at the Convention Centre Dublin (CCD). The CCD is Ireland's new world-class, purpose built, international conference and event venue.

Sponsorship and exhibitor opportunities are now available. The conference is the official meeting of the Metabolomics Society bringing together all the major international organizations involved in human, plant, microbial, animal and environmental metabolomics.

We expect this to be the event in 2016 for metabolomics researchers from around the world, where established experts and the rising stars of the future will present their work in a combination of plenary and parallel sessions.

The conference will attract a high proportion of senior scientists with top level purchasing authority. By taking advantage of the fantastic Exhibition and Sponsorship packages available, you will have the opportunity to position your brand and product at the forefront of the scientific community.

Your support is extremely important to the success of the meeting, helping to keep registration costs down which allows more of our younger scientists to attend.

We look forward to working with you.

Chairs of the Local Organizing Committee

Prof. Lorraine Brennan and Dr. Aifric O'Sullivan
UCD Institute of Food and Health,
UCD, Dublin, Ireland

Reasons to become a Sponsor of the 12th International Conference of the Metabolomics Society

Industry partnership is at the heart of this event

Delivery through a partnership with industry has been at the heart of the Metabolomics Society Conferences since the beginning. Our sponsorship packages have been carefully shaped to meet the commercial imperative of our industry partners. We understand your needs and how to meet them while adding value to the experience enjoyed by our delegates.

Involvement in Metabolomics Society Conference is all about building brand awareness

Our exhibition hall is positioned to capture maximum customer engagement during lunch and poster viewing sessions. There are a range of opportunities to suit every budget, keeping your brand front of mind with delegates. Sponsors will also benefit from enhanced brand exposure in web and printed collateral, before, during and after the event when applicable.

Meet new contacts and strengthen key relationships

Maximizing networking opportunities for our delegates is an important priority. We work hard to provide places for formal and informal networking. Dedicated meeting spaces include an integrated exhibition hall where all refreshments will be served.

The Convention Centre Dublin (CCD) is an ideal venue for staging this event, open foyers and meeting space to achieve a valuable experience for our delegates and sponsors alike.

The next step

Supported by a loyal and growing base of sponsorship partners, in recent years there has been very significant interest in many of the sponsorship opportunities. A prompt decision will increase the chances of you securing the package and placement you want and realizing the full benefit of your investment – including your logo on the event website and in advanced marketing.

Please note that exhibition/sponsorship packages will only be confirmed once registration and payment has been made. This will be managed strictly on a first come first served basis.

**12TH ANNUAL CONFERENCE

Metabolomics Society Student Travel Award

The Metabolomics Society will provide up to **ten** \$500 student travel awards for outstanding academic achievement. The top students will be invited to give an oral presentation and the best presenter will be awarded a \$200 **student prize**.

Metabolomics Society Early Career Prize

The Metabolomics Society will provide up to **ten** \$500 Early Career Travel Awards to support their attendance at the Metabolomics Society annual conference. Successful awardees are then eligible to compete for a \$200 **Metabolomics Society Early Career Prize**, awarded to the best early career presentation.

If your company is interested in sponsoring travel awards please indicate your interest during the sponsorship registration process.

The Conference Space

We have booked over 29,000 sq. feet of conference space to conveniently accommodate all exhibit booths, posters and food functions in one location. This layout ensures that all Sponsor booths and Sponsor events get full visibility and guarantee best options for vendor and delegate interactions.

Selecting your booth location will occur after you have signed up for a specific sponsorship level and paid in full. Please refer to the sponsorship levels for details of the exhibition space allocated by sponsorship level. If you require additional space, please contact info@metabolomics2016.org.

About Dublin

Dublin is a breath of fresh air, a truly unique capital that's steeped in tradition yet young at heart. In the historic, compact city centre there is a lot to do and see, and visitors will love the rich selection of galleries, museums, restaurants, pubs and shops, not to mention the traditionally warm welcome from Dubliners. Furthermore, Dublin is a great gate-way to the rest of Ireland.

An eclectic modern capital city, Dublin provides the tradition you would expect alongside an exciting cosmopolitan aspect – this fusion of the old and the new makes Dublin exciting and unique. Dublin, a sophisticated metropolis with a population of over 1.7 million people, is widely acknowledged as one of Europe's loveliest and liveliest capital cities. A big city yes, but as intimate as a small town. Dublin prides itself on being one of the most engaging capitals of the world. Dublin people have friendliness running through their veins, and nowhere is this more obvious than in the city's many pubs, cafés and restaurants. A city that invites you into its heart, a city comfortable to explore and a city with a contagious energy and genuine welcome that makes you happy to be there.
